## Did you know that your neighbours could be your number one crime prevention tool?

Neighbourhood Watch NT invite you to host a NHW Week event in your community or workplace.

An event is anything that can help connect your local community, share information and build relationships.

We will help you with:

- ✓ A voucher to help cover costs
- ✓ Merchandise to give away at your event (including UV Markers and Wheelie Bin stickers)
- ✓ Information about best practice crime prevention strategies

Each attendee will also go into our prize draw to win a smart at home security system valued at \$500.

For more information or to register your event...

Our friendly staff will discuss your ideas and work with you to make sure your event is a success!
