Don't make yourself an easy target to thieves this Christmas...

- Make sure you keep packaging and presents out of sight
- Avoid leaving valuables or presents in your vehicle
- Be cautious when shopping online. Try and shop with businesses you know and trust.

Going Away?

- Download our Absentee Owner Advice Form to let Police know you're going away
- Be careful about sharing your holiday plans on social media
- Try and make your house look like you're there. Ask someone to mow your lawns, collect your mail and take out your bin
- Consider leaving your lights on or setting a timer.
